Dear Fr. Reilly,

I've attached the open letter I sent to the theology departments of St. John's U, Fordham U., and Georgetown U. I was hoping to meet with theologians to explain the insight referred to in my letter.

Since no one was interested, I expressed it in an essay and submitted it to Science, Religion, and Culture. In online submissions, you are sometimes asked to recommend reviewers. I recommended you and the theology chairs at Fordham and St. Johns. I chose you instead of the chair at Georgetown because I did not have her email address. The editor of Science, Religion, and Culture is Gregg D. Caruso of Corning Community College.

My guess is the the folks at Fordham, St. Johns, and Georgetown are a bunch of scaredy cats. I hope this is not true of Seton Hall.

Very truly yours,

David Roemer
