Dear Karen,

Thank you for your suggestion concerning my faxed Request for Legal Assistance. Instead of going to the N.Y. Bar Association, I asked JustAnswer.com and was told that the disciplinary hearings are not open to the public. If Jane Booth is not properly disciplined, I can file a civil lawsuit against her and subpoena whatever correspondence transpired between her and the Attorney Grievance Committees. The article I told you about is here:

A lot of my correspondence about this scandal is here:

Rational Arguments For God's Existence: Evangelizing Is Good and Proselytizing Is Bad (<http://www.newevangelist.me>).

Very truly yours,
David Roemer
